

The American Legion Family has been working together since 1997 to support their local CMN affiliated children's hospitals with funding to assist with the treatment of children in need of medical attention. The children's hospitals are there 24 hours a day to help any and every child overcome every imaginable disease and injury; from asthma and broken bones to cancer, sickle cell anemia, pediatric AIDS, muscular dystrophy, and serious injuries.

Millions of America's children are going without urgently needed medical attention because their families haven't the ability to pay. But if we continue to support CMN as in past years, no child in need of treatment will ever be turned away, regardless of their ability to pay.

We can make a difference!

We can walk the extra mile and insure that millions of children across this great nation will be ALL THEY CAN BE!!! Your participation in the Walkathon will "HELP HOSPITALS HELP OUR KIDS!!!" On behalf of 17 million children,

We Thank You!!!!!!
