

AMERICAN LEGION AUXILIARY  
DEPARTMENT OF NEW JERSEY  
**CHAPLAIN BULLETIN**

SEPTEMBER 9, 2017

Good Day Everyone,

In the past few months, we as an American Legion Family have lost many members and family members. We have given our condolences, sympathy and support to these families in their time of need. Let us not forget that in time all things will heal, but until then let us be there to comfort our Legion Family through this.

Just a few things: Make sure you are handing in your reports. I have attached forms to this bulletin. Please go to the state website for additional forms.

This Monday is 9/11, if you hold any services/ceremonies make sure you fill out the report form and send it in.

IN GOD AND COUNTY,

Colleen Breen-Lopez
