To Welcome:

National President Kathy Dungan

Tentative Itinerary:

Arrives Thursday, March 7th: Tour of the USO lounge at Newark Airport.

Donations will be presented at that time. Please send your donations to the Department office and notify the chairman.

Saturday, March 9th: Department Board meeting followed by our annual Past President Parley Luncheon. This is a perfect opportunity to personally present donations to the National President for her project which is in support of homeless female veterans and as such is eligible for use of Poppy Funds. This is also our annual Country Store so start looking for good items to donate.

Sunday, March 10th: National President Kathy will leave.

All who have met this wonderful woman will testify to her sweet down to earth personality and dedication to our organization. Please plan to join us at as many of these events as possible. As details become confirmed, more information will be issued. Look for the PPP Luncheon flyer to sign up.
