Membership 2023-2024

As we begin a new administrative year with renewed enthusiasm from a summer rest, we are blessed to be a part of our Great Organization and strive to honor our beloved veterans.

This year President Sharon Knight's theme not only includes her **Legion Family** in the details, but is a Bumble Bee signifying **Bee Kind, and Dandelions**. Dandelions are able to grow and bloom just about anywhere their roots are planted. Not only that, but they symbolize happiness, joy, perseverance, endurance, and hope. It was adopted in 1998 as the "Official Flower of the Military Child." www.militarybrat.com/dandelion/

Included in your membership packet is a list of 2024 Membership Awards from National. Please read and strive to achieve. We are all here to help in any way we can.

Our Department also has goals which are,
