We need new, unopened items –this is a great time to clean out your closet, attic or basement, gifts you don't want or won't ever use, please consider donating them to our annual fundraiser. If food/beverages are a part of your donation please check expiration date.

We also need help in setting up and organizing tables. If you would like to help, please plan on arriving early. The post will be open at 8:00 am.

This is THE Department meeting to come to and bring a friend or new member too! Please buy plenty of tickets and hopefully win some great prizes while supporting the American Legion Auxiliary!

Thank you for your continued support!
