Hello and welcome to the new year! 2023-2024 will be yet another great year for the American Legion Auxiliary for the Department of New Jersey.

It's me, Dori J Miller, and I have been asked to be the Ronald McDonald House Chairman for this year. I love this program and what it supports. Ronald McDonald House offers a place to stay, meals to eat, and activities to entertain families and children while in the hospital or going through treatments. The Pop tab program is such a simple way to support RMD House so that they may continue to do what they do. And, really, all that we must do is save those little tabs from the cans; not only soda cans, but soup, cat food and dog food and that ever popular beverage: beer.

If you and your Unit are more inclined for physical labor like gardening or yardwork, arrangements can be made for activities at the Ronald McDonald House nearest to you.

Attached is the reporting form for donations and volunteer time. The report has been designed for Unit, or County submission. Please forward any county reports to me @ union.county.ala@gmail.com or snail mail to 1016 Westfield Ave, Rahway, NJ 07065. Let's make it a memorable year for our Department President, Sharon A Knight!

For God and Country,

Dori J Miller

Ronald McDonald House Chairman
